CELEBRATION CRACKERS

CREATING THE PERFECT CRACKER FOR EVERY OCCASION

Taking inspiration from all around the world, our talented illustrators and in house design team have created a variety of different designs, from lavish and luxurious to elegant and simple. Our great range offers crackers and prices to please all customers, but, if you have your own ideas, why not work with us to bring your vision to life, and create a cracker that's completely bespoke?

Originating from around a kitchen table in Devon, Celebration has grown from humble roots and our crackers now grace shelves and tables, not only across the UK, but also across the globe.

Whatever your budget, vision and requirements, we can help make any occasion a celebration to remember.

Disclaimer: We've done everything we can to make sure our images look like the real thing. But sometimes the colour, finish and content you see in the photos might be a little different.

OUR COMMITMENT TO THE ENVIRONMENT

Celebration Crackers are fully committed to reducing our impacts on the planet and making sure our products are as environmentally responsible as possible. Here are the steps we have taken for 2021:

- There's no more plastic in our packaging, and it's fully recyclable.
- We removed glitter and reduced foil elements, so now you can also recycle the cracker barrel.
- We increased the amount of plastic-free, interactive and re-usable contents.
- Introducing FSC® Certification to the majority of our 2021 Range (FSC®-C149581).

Follow our colour-coded guide for details on selected designs and look out for products marked with the FSC® logo.
